FREE SPEECH BY FOUL MOUTHS

There is a foul-monthed, indecent element in the city of Portland nightly insulting the decent, law-abiding citizens and openly reviling the flag. They have sent representatives to surrounding towns and in the name of free speech denounce the efforts to remove them from the streets. In the name of our wives and children we ask your support and Vote for No. 370, Voters' Pamphlet

The Boycot And The Picket

The employers of Oregon are not slave drivers as is claimed by those who live by the sweat of their poor deluded victims. This fact is self-evident in any part of the state. The boycott and the picket are the representative of a low order of intelligence, seeking by fear and the bludgeon to force a bad cause. Remove the vote by a Vote for No. 368. See pamphlet.

system, we are prepared to give prices which will pay you to buy at home. Remember, when you buy at home you create a market for what you have to sell, no matter what it consists of, whether it be farm products, labor or legal advise, you don't help your own community, when you go outside to trade; you don't help the farmers when you buy outside flour. Last year many people sent away and went outside to trade. What is the result? The wheels of industry have been idle, no building, no business, no work, no market. Heavy crops are being harvested and still a large portion of the old crop is on hand. It is now time for the people to get together if they want prosperity at home.
